ARTOY / PROTOTYPE STUDY

Lunarie charm: paper proof

Print on A4 at 100% / Actual Size. Disable Fit to Page.
This is a paper size-and-artwork test, not an acrylic cutting file.

50 x 60 mm concept outline

Make a first paper mockup

1. Check the scale bar below.
2. Cut around the dashed outline.
3. Mount on card; test the size.
4. Keep this artwork for print review.
5. Ask a fabricator to check the hole, edge margin and hardware.

Acrylic prototype: proposed next step

Suggested starting point: 2-3 mm clear acrylic, rounded rectangle, 4 mm attachment hole and printed artwork. Dimensions are provisional. A supplier must check hole clearance, print registration, durability and attachment hardware before fabrication. No physical unit has been made.

Scale check: this line must measure 100 mm

0 100 mm
